Applicant's Signature: _____

Signing this application is also recognition that the developer or applicant is responsible for the construction and signage of the new road.

NOTE: Letters will be sent to all property owners affected by the naming of the road. All owners should agree to the proposed name selected by Churchill County; any dissenting comments will be considered prior to finalizing the road name. If all proposed names are rejected, you will be notified by mail and a new application will need to be submitted. The Churchill County Sheriff will also be provided an opportunity to approve or deny the selected name.

16.16.010.7: STREETS AND STORM DRAINS:

16. Naming of existing roads.

- a. Road names and suffixes shall be designated by the developer, subject to approval of the planning department and in accordance with the following general policy:
 - (1) Be short (under 12 letters if possible) and preferably in one word;
 - (2) Have a simple spelling and easy pronunciation;
 - (3) Avoid prefixes such as "north" and "south", "east" and "west", "upper" and "lower";
 - (4) Be related to the type and importance of the street (e.g., the suffix "boulevard" should not be attached to the name of a minor residential street);
 - (5) Avoid the use of numbers or letters as street names;
 - (6) Not be incongruous, offensive or geographically misleading;
 - (7) Not be repetitive or similar in sound and character;
 - (8) Have a single name for a street having a continuous alignment;
 - (9) When to be connected in the future into a continuous alignment, or extended, bear the same name as the existing street;
- b. An existing noncounty maintained road may be named or renamed using the following procedure:
 - (1) A landowner fronting the road submits a road name application according to the provisions above using the approved road name application. The application must be complete with three different road names and a list of all other landowners that will be affected.
 - (2) If postmaster, sheriff's office/fire marshal and all landowners agree to the road name, the name is approved by planning department. It is the responsibility of the landowners to provide and maintain street signs and stop signs for roads not maintained by the county.

The following list is of street types currently used in Churchill County; use abbreviation on application: (Abbreviation is based on US Postal service standards.)
