Any road in Churchill County, Nevada, not bearing the designation as a "main" or "general" road, in this list, is and shall be designated a "minor" road for all purposes pursuant to NRS 403.170. Accordingly, any road which does not appear on this list is hereby designated a "minor road". The exclusion of any road from this list is expressly intended to create a designation and to impart public notice that a road not named in this list has been designated as a "minor road". Maintenance of a "minor road" is not required by Nevada law. The State of Nevada, and Churchill County, Nevada, a political subdivision of the State of Nevada, are immune from liability for damages suffered by a person as a result of using any road designated as a minor county road. For any minor road to become designated as a "main" or "general" road shall require approval, hereafter, by the Board of County Highway Commissioners. The Board of County Highway Commissioners shall annually review this list and make corrections hereto as provided for by law.
